

1、职位选择左对齐显示，一行显示一项

The screenshot shows a user interface for managing member details. On the left, there's a sidebar with various menu items like Control Panel, Intelligent Screening, and Care Center. The main area has several input fields: weight (75), education level (University本科及以上), personality (Extroverted/Introverted), contact number (18650800920), marital status (Married), economic source (Self), retirement status (Yes), hobbies (Travel checked), and interests (Pet). A dropdown for retirement career includes options like Farmer, Professional Technologist, Commercial Service Personnel, Production Equipment Operator, and Soldier. A red box highlights the dropdown and the 'Other' option under it. A blue button labeled 'Save' is at the bottom right.

左对齐排从上到下排下来，
一行显示一项

2、两项都是“独居，靠近家人”其中的一项改为“独居，远离家人”

燃料类型改为：无、液化气、煤、天然气、其它

This screenshot shows the 'Edit Elder Information' page. The sidebar includes Long-term Care Management, Elder Information, Device Information, and so on. The main form has tabs for Basic Information, Household Information, Living Situation, Assistance, Demand, Health Status, Social Life, and Social Status. Under 'Living Situation', there's a section for residence/living conditions with radio buttons for cohabitation, cohabitation with a partner, living near family, living far from family, and living in a nursing home. Below that is a section for fuel types with radio buttons for Natural Gas, Coal, Natural Gas, and Other. A red box highlights the 'Other' option. A blue 'Save' button is at the bottom right.

3、助补各项需要有默认选项，如下：

The screenshot shows a web-based application for managing seniors. The top navigation bar includes 'Senior Management' > 'Senior Information' > 'Edit Senior Information'. The main content area has two tabs: 'Edit Senior Information' (selected) and 'Equipment Data'. On the left, there's a vertical sidebar with tabs: 'Basic Information', 'Family Information', 'Residence Information', 'Assistance' (selected), and 'Demand Information'. The 'Assistance' tab is highlighted with a blue background. The right side contains several input fields and dropdown menus. At the top right, there are three radio buttons for compensation: 'Low Cost' (selected), 'Free', and 'Paid'. Below that, a dropdown menu for government subsidies shows 'None' (selected) and ranges from '100-300' to '1000-3000'. Further down, a section for government subsidy standards includes a checked checkbox for 'None' and several other options like 'Three Nones', '90+ years old', 'Low Income', 'Revolutionary Five Elders', 'Priority Preferential Object', and 'Low Income'. A blue 'Save' button is located at the bottom right.
